## **THE PROFESSIONAL MEETING AT EUROPAVOX FESTIVAL: MAY 21-23, 2010**

**The meeting point for European journalists & music professionals**

Gathering the music industry from all over Europe, the Europavox Professional Meeting focuses on **quality** over quantity. We offer great opportunities to European professionals to network in a **cozy environment** and a **relaxed atmosphere**. Spend the week-end with your European mates and tie some meaningful **connections** with potential business partners.

## Our program includes:

- Several **business meeting sessions** throughout the 2-day event : we organize one-on-one meetings tailored according to your needs (territories/music genres/business area) on a 15 minute basis
- **Industry workshops** about Europe and Export with a focus on Belgium and Spain: divided in small groups, the delegates will brainstorm on the best tips and mistakes to avoid when trying to break a band abroad.
- Plenty of **networking** time (lunch, cocktail, dinner & sightseeing trip)
- Discovering talented **up-and-coming bands** from all over Europe as well as the current hottest headliners
